DIARY NOTES FOR COLONEL WHITE

A-DD/S *WHL*

Thursday, 15 August 1963

1. There was nothing of immediate concern to the DD/S at the Executive Committee Meeting this morning.

2. Having noted in the Logistics Activity Log yesterday that no progress was

design changes were indicated, they thought they could come up with a solution. George said he would have further word on this in a couple of weeks. He added that GSA was following our progress with interest since they had the same problem Government-wide.

3. I alerted [REDACTED] that I would be away this week end and that [REDACTED] 25X1A9a  
[REDACTED] could be considered Acting Deputy Director (Support).

5. Jim Garrison called to report that the "color contract" for the long-range decorating of the headquarters building was now in hand and would be executed on our behalf by PBS. [REDACTED] will conduct liaison between the Agency and PBS.  
[REDACTED] is aware of this and happy about it.)

25X1A9a 6. I attended a meeting of the Kirkpatrick Emergency Planning Group.  
25X1A9a Messrs. [REDACTED] and Walter Pforzheimer made  
a rather extensive report on their participation as CIA Reserve Officers in  
Exercise [REDACTED] of the War Plans Staff gave a pre- 25X1A2d1  
liminary rundown on the Agency's participation in Exercise [REDACTED] in October.  
25X1A9a He said that they would require a direct telephone line from an operations center,  
being set up in [REDACTED] office, to our representative at the [REDACTED] 25X1A2d  
headquarters. This will be arranged through the Office of Logistics. A number  
of other subjects were discussed briefly and it was noted with satisfaction that  
the emergency supplies of food and water were now being delivered in the base- ||  
ment by the Office of Emergency Planning.

7. An open safe security violation which was discovered on 6 August was finally adjudged by Security to be the joint responsibility of Sally and Joyce. This is the first violation for each. We have tightened up on security check procedures in the immediate office area to prevent any recurrence.

25X1A9a 8. [REDACTED] reported that Dr. Wheelon may not wish to have [REDACTED] 25X1A9a  
assigned as his secretary, and asked what your reaction might be to such a development.  
I told him I felt quite sure that you would regard her placement to be entirely a  
DD/S&T matter, and that your primary interest would be her continued employment  
in the DD/S&T area.

25X1A9a 9. Personnel reported that the Office of Security has initiated a personnel action  
to employ [REDACTED] stepson. It is planned that he will start  
work on 16 September on a half-day basis.

25X1A9a 10. I was informed today by [REDACTED] that Mr. Kirkpatrick has added my name  
25X1A9a and [REDACTED]s to the list of those who are invited to attend the Senior Staff Meetings  
henceforth. He explained further that this is a decision to include the Executive  
Officers of the Deputy Directorates in the meetings. [REDACTED] already attends;  
25X1A9a DD/P doesn't have such a position; and so [REDACTED] and I round out the list at present.
